**STATEMENT OF THE SUBSTANCE OF APPLICANT INITIATED INTERVIEW IN
ACCORDANCE WITH C.F.R. § 1.133(b)**

Summarized below is the substance of a telephone interview between Examiner Pathak, Steve Hanke, a representative of the inventor, and the under signed attorney of record, held on March 19, 2007.

In the telephone interview, Examiner Pathak and the representatives of the inventor discussed the references Sevic and Sampei. Examiner Pathak and the representatives did not come to an agreement on the teachings of the references as applied to the claims of the present invention.

Examiner Pathak and the representatives also discussed the use of AAPA (Applicant Admitted Prior Art) and the Background section of the above application. The representatives did not necessarily agree that the subject matter of the Background section is prior art but stood by the comments already on record as filed in the response of November 9, 2006.

The Applicant requests the Examiner to telephone the undersigned attorney of record at (972) 480-8800 if such would further or expedite the prosecution of the present application. The Commissioner is hereby authorized to charge any fees, credits or overpayments to Deposit Account 08-2395.

Respectfully submitted,
